MARCH 2019

SHOWING THE DOWNS SINCE 1860

HERITAGE BANK TOOWOOMBA ROYAL SHOW

The production of the very best in the region had been the aim of agriculturalists and horticulturalists on the Darling Downs since 1860, when the foundation bodies of the Darling Downs Agricultural Society and the Drayton and Toowoomba Agricultural and horticultural Society were formed.

Established to promote the improvement of stock and the develop the pastoral, agricultural and horticultural resources of the colony of Queensland, the Royal Agricultural Society continues to not only uphold this vision of agricultural excellence but to take a more proactive role in the education of young people within our communities.

The 155th Heritage Bank Toowoomba Royal Show will be held from the 28th -30th March 2019. It is expected in excess of 40000 patrons will attend over the three days.

Entertainment will again be a major driver in attendance and will be located strategically around the grounds. Specific timed events will not only improve traffic flow but will encourage patrons to plan and lengthen their time spent at the show.

Educating young people about the importance of agriculture is one of the charters of the society and we are again planning to increase our Edible Garden and Little Hands on the Farm programs.

In excess of 12 000 competitive entries were judged across 33 competition categories at the 2018 show. We would expect similar entries for the 2019 show.

Over 200 volunteers assist during the show. Without their dedication and effort the show could not function. Our theme for 2019 will be “enhancing community engagement” and again we plan to donate up to \$50 000 worth of complimentary passes and payments to community groups for services provided.
