WELCOME

The People First Bank Toowoomba Royal Show is a much-loved local tradition that brings people together from across the region. Year after year, it reflects the strength and shared pride of the community.

At its heart, the Show recognises the agricultural industries that have long supported the prosperity of the Darling Downs. It also creates a place for families and friends to come together, enjoy great entertainment and celebrate the best of local life.

Toowoomba is where People First Bank began in 1875, and it remains central to who we are. For 150 years, we have supported people through everyday banking and invested in the community through local partnerships and initiatives.

As a customer-owned bank, our focus has always been on putting people and communities first. That's why we are proud to continue our support of the Toowoomba Royal Show in 2026, marking our 27th year as a major sponsor. It is a partnership built on a shared commitment to this region.

Congratulations to the Royal Agricultural Society of Queensland on delivering another strong program. We hope you enjoy the Show and celebrate everything that makes Toowoomba and the Darling Downs such a great place to live.

Steve Laidlaw

Chief Executive Officer
People First Bank

Roll up, roll up — it's Show Time.

The People First Bank Toowoomba Royal Show continues to be one of our region's most cherished traditions — a place where generations come together to celebrate community, agriculture, creativity, and country spirit. Since the first Show in 1860, this event has grown and adapted alongside our community.

Whether you're here for the classic dagwood dogs, the fireworks, the rides, the animals, or the entertainment, this is the time of year when our community comes together to celebrate the very best of agricultural excellence — just as we have done for 166 years.

The Toowoomba Royal Show remains the region's largest volunteer-driven event. More than 500 dedicated volunteers contribute over 4,500 hours to bring this Show to life. Their passion and commitment are extraordinary, and we encourage you to thank them as you enjoy everything the Show has to offer.

We also extend our deepest appreciation to our generous sponsors. Their support — from prize donations to program contributions — make this event possible. A special acknowledgement goes to our principal

sponsor, People First Bank, whose remarkable 27-year partnership continues to help us grow and deliver a bigger and better Show each year. It is amazing to think that they were established in 1875, just 15 years after us and as such, we have been side by side supporting this region to be the best they can be for well over a century.

Preparing animals, produce, art, cooking, crafts, and countless other exhibits for a Royal Show takes dedication, skill, and pride. We commend every exhibitor for their hard work and invite you to explore the pavilions to experience the passion behind each entry — from chooks and goats to photography, fine art, schoolwork, baking, leatherwork, and more.

On behalf of the Royal Agricultural Society of Queensland, thank you for joining us for the 161st People First Bank Toowoomba Royal Show. We hope you enjoy every minute and more importantly make cherished memories to share with you family. Let's celebrate the best of our region together!
